† Burst data pricing applies to outbound Direct Internet (#777) data calls originating from the United States and the Caribbean only. Direct Internet data calls can only be made from the United States, Canada, and other select countries. Please call Globalstar Customer Care at 1.877.728.7466 or visit our website for a complete listing of these countries. Voice and data bundled pricing are not available while roaming. NOTE: The FAU-200 is a voice only product. Data services, call forwarding and roaming are currently not available with the FAU-200.

Visit Globalstar at www.globalstar.com for service plan and coverage details.

Products and Accessories

GSP-1600 HANDHELD PHONE

Globalstar Handheld Phones are designed to provide a portable communications solution through satellite service. The phone meets the needs of users who require quality voice and data service everywhere, but find themselves in areas where cellular coverage is either unavailable or inaccessible.

Globalstar satellite portable phones provide all the latest features in a compact cellular-style handset that delivers clear and quality voice communications and data services wherever it is needed.

CALL FOR PRICE!

FIXED PHONES

Globalstar Fixed Phones allow you to make satellite calls from inside buildings where traditional telephone service is not available. The GSP-2900 Fixed Phone provides voice and data transmission. The FAU-200 Fixed Phone is a cost-effective voice only communication solution. Both phones can be mounted on any convenient outdoor location, with a clear view of the sky, to deliver quality voice service inside buildings.

**GSP-2900
\$1,999.00**

**FAU-200
\$999.00**

GCK-1410 HANDS-FREE CAR KIT

The Globalstar Hands-Free Car Kit lets you make calls from inside a vehicle. The hands-free cradle holds the GSP-1600 Handheld Phone allowing the safety of hands-free operation and the convenience of battery charging. The magnetic rooftop antenna directs the signal to Globalstar's satellites allowing you to make or receive calls while in the vehicle.

*GSP-1600
not included

*optional

DATA KIT - HANDHELD PHONE

The Globalstar Data Cable connects the Handheld Phone to a computer's RS232 port, laptop or PDA (Personal Digital Assistant) for easy access to the Internet, email systems and private networks.

\$69.99

ACCESSORIES

Globalstar offers an array of accessories to help you get the most out of your Globalstar Handheld Phone.

- Lithium Ion Battery Pack
- Universal Wall Charger
- Cigarette Lighter Adapter/Charger
- North American Wall Charger

Plans are based on a 12-month contract. Credit approval required. Early de-activation of the contract will result in a cancellation fee. Bundled voice and data minutes are applicable for calls from the U.S. and the Caribbean to U.S., Canada and Puerto Rico. Voice and Dial-Up data airtime billing is based on a one-minute minimum and 30-second increments. Calls placed from the U.S. and the Caribbean use standard airtime, no roaming, and no long distance to the U.S., Canada and Puerto Rico. Calls to other Caribbean countries and other destinations will be charged long distance. For roaming rates, please consult the Roaming Calculator at www.globalstar.com. Included minutes do not apply while roaming. International roaming charges apply to all calls placed outside North America. International roaming charges and international long distance charges may vary depending on foreign taxes and tariffs from individual countries. Please see End User Terms and Conditions for all details concerning subscription to the Globalstar system. All price plans are subject to all U.S. local, provincial and federal taxes. Globalstar reserves the right to modify any price plan without notice.

911 Emergency Services Terms & Conditions applicable to Globalstar USA, LLC ("GUSA") subscribers and to subscribers of other Globalstar service providers roaming in GUSA's territory. GUSA has voluntarily established an Emergency Call Center, or "Referral Service," that Callers can access in by dialing 911. After February 11, 2005, the Emergency Call Center is a federal legal requirement under Section 25.284(a) of the rules of the Federal Communications Commission ("FCC"), 47 C.F.R. 25.284(a). Under the FCC's rules, the Caller (defined as the GUSA subscriber or any other person using the subscriber's Globalstar phone with or without authorization) must provide his or her telephone number and physical location. GUSA does not have the ability to identify the Caller's location automatically as is the case with wireline telephones and certain cellular or PCS wireless telephones. Accordingly, the effectiveness of Referral Service depends largely on the accuracy of the information provided verbally by the Caller to the Emergency Call Center Operator. Upon receiving a call identified as an "emergency," GUSA's Emergency Call Center personnel will redirect the call to an appropriate Public Safety Answering Point ("PSAP"). The Caller acknowledges and agrees, as a condition of its use of Referral Service that: (1) Referral Service is subject to the same limitations of coverage and network capacity as other uses of the Globalstar Service; (2) there can be no assurance that such service will be available outside the customer's home territory, that is, while roaming, or where 911 is not used to obtain emergency services; (3) the provision of Referral Service is subject to the limitations on liability and other limitations and provisions contained in the service subscription or telephone purchase agreement; (4) no action or claim whatsoever, whether seeking damages or any other remedy, will be brought against any of GUSA, its affiliates and their respective shareholders, directors, officers, employees and agents (collectively, "GUSA") or any third-party providers assisting GUSA to provide Referral Service, in respect of any death, injury, or loss to persons or property incurred by any person in connection with establishing, developing, implementing, maintaining, operating, and otherwise providing Referral Service, except for claims against any such party relating to the intentional or willful misconduct of such party; (5) no action or claim whatsoever, whether seeking damages or any other remedy, will be brought against GUSA or the third party providers in respect of any delay, inaction, act or omission of police, fire or other emergency personnel contacted through Referral Service; and (6) calls placed using Referral Service will typically be recorded.

Some conditions apply. Rates for minutes based on individual price plan. Coverage may vary. Specifications and information subject to change without notice. Ask your local Globalstar Authorized Dealer for complete pricing and coverage information. Or see complete details at www.globalstar.com. Globalstar USA LLC. 2005. All rights reserved. 461 S. Milpitas Blvd., Building 5, Milpitas CA, 95035 USA, P: 1.877.728.7466, F: 408.933.4100. Please see complete details of Globalstar service in the Terms and Conditions on our website, www.globalstar.com
